# MOBILE FOOD VAN INSURANCE

Mobile food vending may seem like a simple task but is fraught with unforeseen hazards; to the owner, their equipment, and the public. Standard insurance products are often not suitable to food vans, meaning certain important aspects might not be covered, or higher premiums may be charged.

Our insurance is different. We know what mobile caterers need and what they don't need. So you can be assured your premiums are fair and that you'll be covered.

Our policies have been specifically structured with food van business requirements. Whether its used for cooking mexican, burgers, fish & chips, or serving blended juices or coffee, we can help.

Being insured assists your business comply with local and state government regulations. Our food van insurance policies have a broad range of benefits that we will tailor to your specific needs.
